

Assist Your Brownie with Her *WOW!* Water Jar

Dear Girl Scout Brownie Family:

Your Girl Scout Brownie is sailing along on the *WOW!* journey, a Girl Scout leadership journey all about the Wonders of Water.

To deepen your Brownie's LOVE for water, she has been asked to select a special water jar, fill it with water from her favorite water source, and bring it to our next Brownie gathering.

Please help your Brownie be ready to share her favorite water at our next session, where she'll also have a chance to decorate her jar. If you and she have some special decorations fitting of a water jar, invite your Brownie to bring them to our next gathering, too. The more goodies the Brownies bring, the more variety there will be to share with the full Brownie Team.

Thank you!

Assist Your Brownie with Her Water Drops

Dear Girl Scout Brownie Family:

As your Girl Scout Brownie continues to sail through *WOW!*, a Girl Scout leadership journey all about the Wonders of Water, she's going to call on you for your support and advice.

Today she's bringing home some water drops. These will be used to symbolically hold the water promises she makes and carries out.

She's going to ask you to join in with her on her water promise. She'll be sharing her promise and your efforts to join in with her at our next Brownie gathering.

Thank you!

PHOTOCOPY THESE WATER DROPS FOR THE GIRLS TO USE AS NEEDED. OR, BETTER YET, INVITE THE GIRLS TO HAVE SOME FUN MAKING THEIR OWN WATER DROPS ON RECYCLED SCRAP PAPER!
