

BROWNIE HIKING SONG

Words and music by
Mina F. Kurowski

We are the hap - py Brown - ies. We are the bus - y elves. We

love to help each oth - er, And, of course, we help our - selves. We

wake up in the morn - ing with A smile up - on each face, And e - ven if things

don't go right We keep that smile in place. We're the hap - py Brown -ies!

This is your own special hiking song.
