

## Kim's Game

### First Floor Galleries:

1. What evidence is left behind that tells us there were cannibalistic sharks in Indiana?  
*Hint: Look up high to find the shark.*
2. What Ice Age animal, whose bones have been found in every Indiana County, is stuck in a kettle lake?
3. Jewelry making has always been a popular pastime for girls. What materials did Native Americans in Indiana use to make their jewelry?

### Second Floor Galleries:

1. In pioneer times girls helped their mothers make butter. How many times do you need to move the paddle of the butter churn in order to make butter?
2. Madame C. J. Walker was the first female African American millionaire. What type of company did she found?  
*Hint: The answer is by the large black delivery truck outside of the train station.*
3. The right to vote is called suffrage. Some people did not want women to achieve this right. What color is the circle in the anti-suffrage button on display?  
*Hint: Look by the orange silk evening dress.*
4. What female Olympic Gold medal gymnast is from Greenfield Indiana?  
*Hint: Look in the circle of famous Hoosiers.*

### Third Floor *On My Honor* Exhibition:

1. Find the cookie order sheets from 1979. What were Do-Si-Dos and Thin Mints called in 1979?
2. What famous Hoosier fashion designers created Girl Scout uniforms?
3. How many Girl Scout hats are in the *On My Honor* exhibit?
4. What does the Crest from Indiana's Troop 1 look like?
