['trē,foil, 'tref,oil]

Use this Traveling Trefoil to show the world what you love most about Girl Scouts! Download it, print it, make it yours, and share it with your friends and family using **#BecauseofGirlScouts**. We'll be watching for it on Instagram, Facebook, and Twitter, and you'll be a part of the excitement leading up to the 55 National Council Session that occurs October 23-25, 2020.

Who's doing it? Daisy Girl Scouts to adult Girl Scouts are using this template (or a traced copy) and decorating it their way (with crafts, photos, words, etc.). Just like Girl Scouts, this Traveling Trefoil can go great places.
