CHALLENGE 1

# What Makes Me Shine?

Before you can introduce yourself to others, you've got to know who you are introducing!

Take Sunny Starscout, for example. She's the newest pony in Equestria, and she is a BIG dreamer. Sunny is **optimistic**, **passionate**, and **caring**. That's what makes her shine.

## Complete the What Makes Me Shine Color-Me-in-Challenge.

Color in the My Little Pony characters that describe YOU!

**Sunny Starscout**  
**Dreamer! [1]**

Full of tons of hope  
and lots of optimism!  
Sunny sees the best  
in others.

**Izzy Moonbow**  
**Creative! [2]**

Izzy is super creative and  
full of energy.  
She's always there to  
make you laugh or give a  
thoughtful hug.

**Princess Pipp Petals**  
**Joyful! [3]**

Say hello to the life of the  
party! Princess Pipp sure  
knows how to experience  
and spread happiness!

**Princess Zipp Storm**  
**Courageous! [4]**

Fearless and brave,  
Princess Zipp is  
independent and out to  
take on the world.

Remember this for the next challenge!

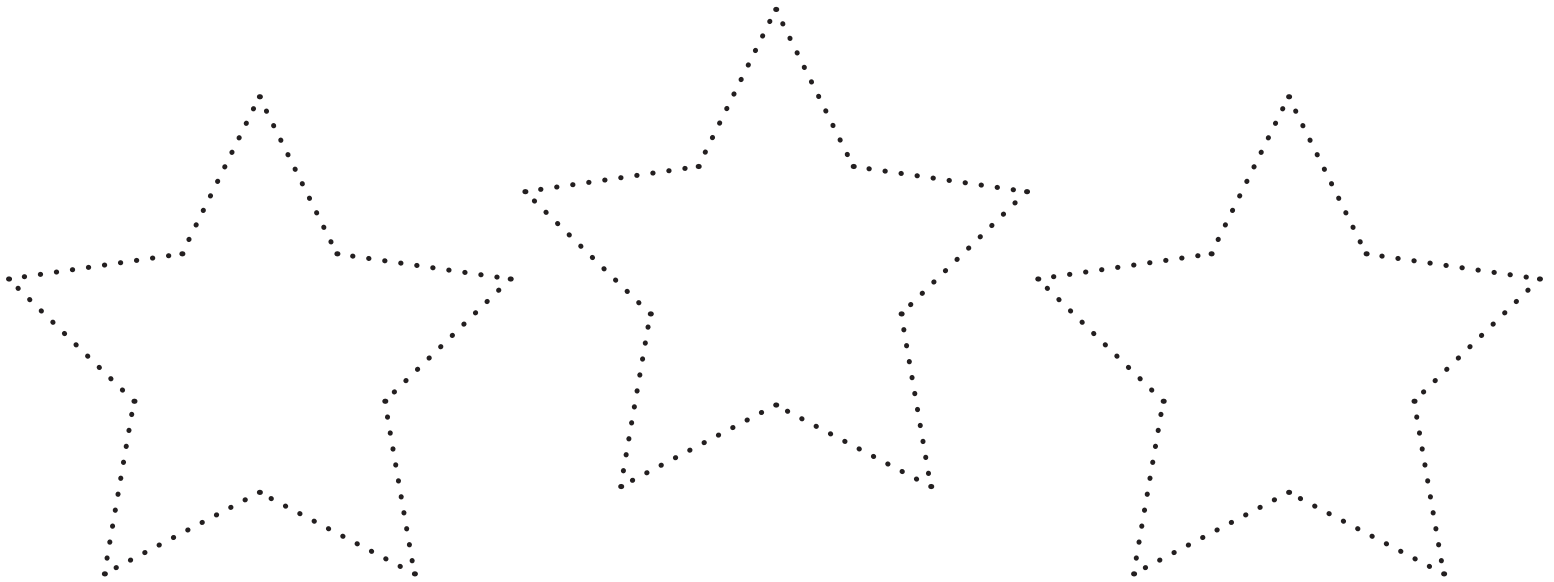

# Introducing Myself

Just like you, the My Little Ponies have a lot of talents and things they like to do. New friends can be a great way to do more of what you love and introduce you to things you haven't tried before!

What are some of the ways you like to spend your time?  
Do you love sports? Are you an artist? Maybe you're a fantastic singer?

## Complete the Introducing Myself Activity Challenge.

Draw your three favorite activities in the stars below.

Take the My Little Pony character you picked on page 2 and put the adjective that describes her (dreamer, creative, joyful, or courageous) into the sentence below!

Hi! My name is \_\_\_\_\_. I am \_\_\_\_\_  
[your name] What Makes Me Shine adjective

and I like to \_\_\_\_\_.  
[Introducing Myself Activity Challenge]

**Example:** Sunny's introduction might read: Hi! My name is Sunny. I am a dreamer and I like to play baseball.  
With this tool, you can introduce yourself to anyone with confidence.

# Get To Know You

Introducing what makes you shine is step one in making new friends. Step two? Getting to know them back! It's so fun to learn about others.

When Sunny teams up with Izzy Moonbow to save Equestria in the new My Little Pony movie, they go on a HUGE adventure together, meeting tons of new friends along the way. When getting to know someone new, ask them questions to learn more about who they are!

## Complete the Get To Know You Coloring Page

Color in the picture of Sunny and fill in the word bubble with a question you would want to ask a new friend. Then, give this page to a new friend to color in the picture of Izzy Moonbow, and ask them to fill in their answer in Izzy's word bubble!

CHALLENGE 4

# Lift Up

Celebrating what makes us unique is how we all SPARKLE together.

In the new My Little Pony movie, Sunny and Izzy become great friends, but it takes a whole team of ponies to save the magic in Equestria!

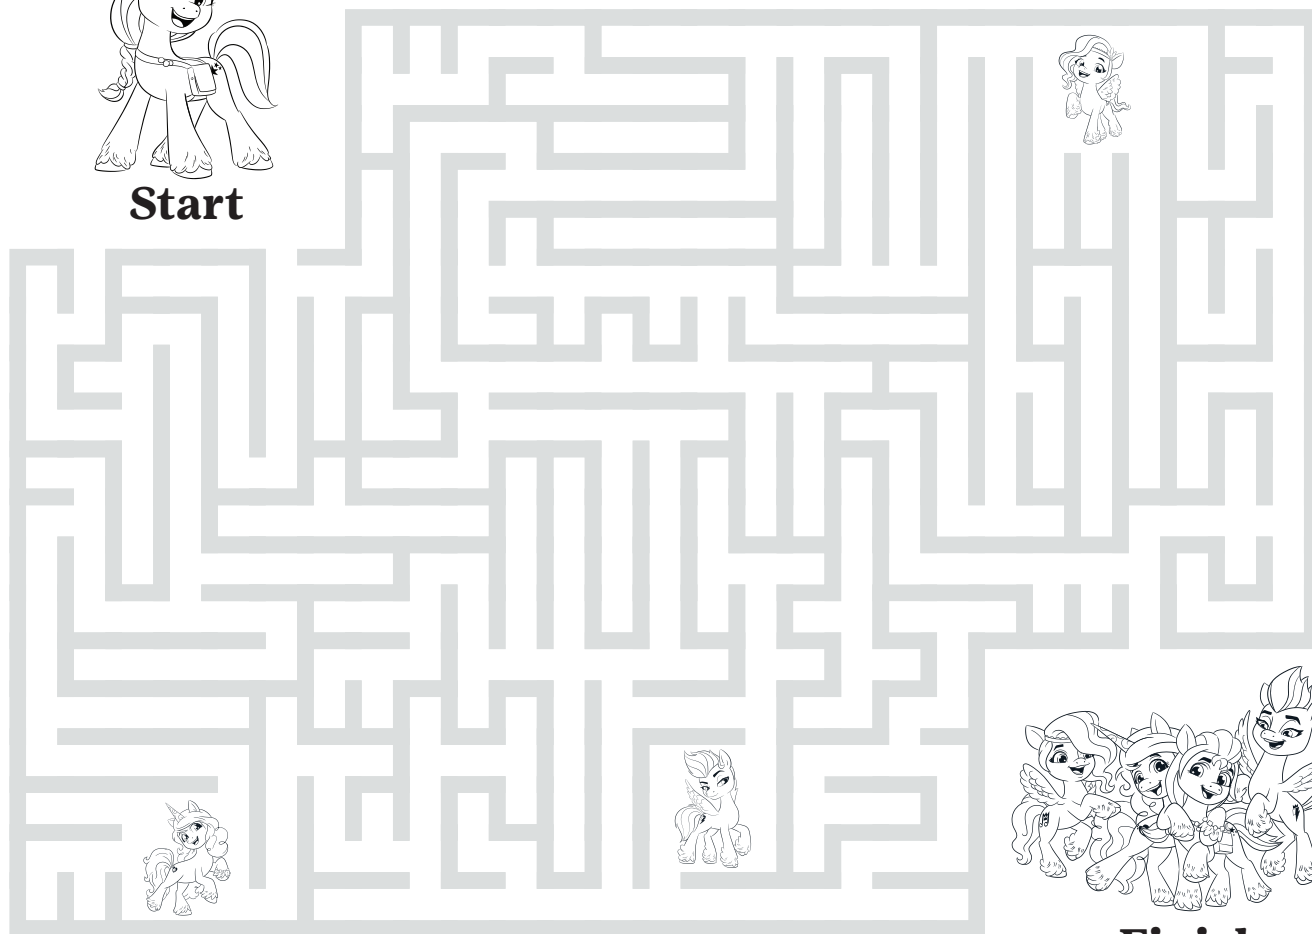

Think of all the fun you can have when you welcome new people into your friend group. When you accept others, you are not only being a kind person, but you are also learning new things, making new friends, and having TONS of new adventures together—now that’s a lot of sparkle!

## Complete the Lift Up Friend Maze

Follow the maze and pick up friends along the way.

# Give Back

You're almost there! Look at all you've accomplished so far! We've celebrated your special shine, learned how to reach out to others, and lifted up everyone on the team.

Now, it's time to put all that together and GIVE BACK, the Girl Scout and My Little Pony way!

## Play the Give Back Game.

1. Cut out the My Little Pony **Friendship Pass** below. You only need one **Friendship Pass** to play.
2. Get your friends together and sit in a circle.
3. Set a timer for 15 seconds.
4. Once the timer starts, pass the My Little Pony **Friendship Pass** around as fast as you can.
5. When the timer stops, everyone shouts their favorite thing about the person holding the pass! Is she **kind**? Maybe, she is really **funny**? **Brave**? The **silliest**?
6. Set the timer again, and repeat until everyone's held the Friendship Pass once.
7. If you get the **Friendship Pass** a second time, you can keep your turn or share the pass to a friend who hasn't received it yet!

You'll be amazed about how much your friends see in you and you see in your friends. Sometimes it's nice to remind the people in our lives that we recognize and appreciate who they are.

# You Did It!

We had so much fun getting to know you! Through all these activities, we've learned more about who you are and the people you love.

Whenever you need a friend, you can always use this toolkit to help introduce yourself to new people and feel confident when new friends want to meet you!

Remember, friendship works best if you pass it around and share it together.

**That's the power of friendship, of My Little Pony, and of being a Girl Scout.**
