† All items and event dates are subject to change. The Council reserves the right to replace any item of equal or higher value.

† If selection is not made, default selections will be made by GSNEX as the girl forfeits her ability to choose.

† No substitutions/no transfers of winnings. All packages must be picked up from TCM, reflected in the online cookie software system and paid for in full, to qualify.

† Camp spaces are reserved on a first come, first served basis. GSNEX does not guarantee space at any specific camp or session.

* Cadette, Senior, and Ambassador Troops can earn extra profit in lieu of reward items, clubs, events and trips, but do qualify for patches and Community Cookie rewards.

* To receive the Initial Order 100+ patch, the girl must have at least 100 packages allocated to her in eBuddle at the time of the Initial Order. Similarly, to receive the 300+ shirt, the girl must have at least 300 packages allocated to her in eBuddle at the time of the Initial Order and maintain those 300+ packages at the conclusion of the Cookie Program. Girls who earn the 300+ shirt on the Initial Order, but who do not maintain the 300+ packages at the conclusion of the Cookie Program risk forfeiting all final rewards.

* Initial Order troop reward of 250 PGA is calculated automatically in eBuddle to include girls who have at least one package allocated at the time of the troop's Initial Order, and who meet the PGA requirement.

* Some rewards carry risks with use and will require a parent approval and release of liability as a condition to receive the reward.

NOTE: Girls are at risk to forfeit their rewards, including items, Girl Scout Bucks, events and trips should they fail to pay on time, in full and/or if the Girl Scout and her family do not adhere to all policies and guidelines published in the Family Guide and contained in the parent permission form, which is executed by her parent/guardian in order to participate in the Cookie Program.
