

Girl Scout Superhero Worksheet

You are an amazing Girl Scout, a true purple person, and an everyday superhero just by being you!

Think about all the things that you really, really love. You might think, “I love dandelions,” or “I love making music,” or, “I love my best friend.” They are all part of what makes you the wonderfully unique, special person you are.

Use your purple crayon to fill the Girl Scout superhero’s cape with at least three things that you absolutely love!
